Responsible Supply Chain Management

Community

Support for Procurement and CR Managers

Your job is to make your company's supply chain an ongoing success. Managing risk is part of that.

**Training Course:
One Day Introduction To
Responsible Supply Chain Management
08 October, Central London
9:00 am – 4:30 pm**

What will the training cover?

- **The business case**

Are you looking to build the case internally? Find out about the latest business arguments to get buy in from your directors and colleagues.

- **Map your risks and opportunities & prioritise action**

Are you trying to prioritize which social, environmental or economic issue to address first? Learn how to carry out supply chain risk and opportunity mapping.

- **Steps to responsible supply chain management**

Are you wondering how to get started? Are you looking for a practical approach to follow? Find out about BITC's recommended step by step approach drawn from member companies.

- **Best practice case studies**

Do you want to learn from other companies who have successfully implemented programmes? Come and share knowledge on challenges, successes and develop transferable learnings.

Booking details: Members: £250 + vat, Non-members: £300 + vat
